By this petition the petitioner claims a direction that recognition given to the petitioner and the grant-in-aid allowed to the petitioner be directed to be from the year 1994-95 instead of 1997-98 as the same was delayed due to reasons attributable to the respondents. Here also the persons who are alleged to have committed this irregularity are not made parties.

2. Factually both the institutions i.e. the petitioner herein and Respondent No.3 are now receiving grant-in-aid and are running their schools in their village. In our opinion, therefore there is no reason to interfere in this case also. Hence this petition is also dismissed.
